

The Joshua Project

Summer 2017

Dear Friends

What a busy season we are just in! Kingsley has been on the road almost constantly since the beginning of the year and, looking ahead, it appears to be more of the same. So many doors keep opening and so we continue to go through them. Less and less of them are here in the UK but overseas is opening continually.

Of course that presents its own challenges, but we believe that God is faithful and will continue to look after us as a family. He is the Same yesterday, today and forever. He has kept us in the past, He is keeping us today and we have no reason to doubt that He will continue to keep us in the future.

This newsletter is a quick update for you, our friends and partners, and we hope that it will inspire you, both in your own faith and in continuing to pray for us. God bless you!

Enniskillen Methodist Church

We were invited by Rev. Sam McGuffin to speak at the special Holy Week Anniversary Services in my old church in Enniskillen.

This was such an honour and blessing for us. We stayed with the Sam & Linda and it was a fantastic week. I took as the theme, 'The Road to the Cross' and there was a great turnout. Some of the folk I have known since I was a young boy so it was really special.

This was my late Mum & Dad's favourite place outside the home.

We returned home at the end of the week via Emmanuel Fellowship in Lurgan to see our good friend Philip Emerson and preached on the Sunday morning.

Church 31, Toulouse

Then I flew to Toulouse in the South of France, the home of Airbus. A new church started there last year called 'Church 31'. Denise & Thomas Stevenson were the initiators of it and this was my second visit. I had 2 meetings and spent time with them trying to encourage them.

Ghana

As you all know, we have a long association with our good friend, Pastor Osmond Owusu, in Ghana.

I went there this year to speak at the Parliamentary Banquet, preach at church and visit some of the places IGO has influenced over the past 18+ years.

I have been going to Ghana regularly since 1998, so a lot has changed in that time.

IGO Conference, Cornwall

IGO CORNWALL

As a family, we travelled to Cornwall for the IGO Holiday Conference in EFGI, Poole. There were about 60 of us and we had meetings in the mornings and evenings during the week, went out in the afternoons.

Cathy & I then stayed and preached again on the following Sunday morning before going to Romania.

Pastors Alan & Lorraine Carlin are doing such a wonderful job down there, both ministering in the community and abroad and we learned this year about the 1000's of children's books that they are placing into local schools. It is truly remarkable what they are doing. If you ever go to Cornwall, you simply must visit them.

One of their sons, Phil, came with us on the IGO team to Romania. A team of eight of us travelled on to Bucharest to join Pastor Iosif Belea.

Romania

Brasov, Romania was simply amazing. As well as it being one of the most beautiful places I have been to, the meetings were awesome. A group of young musicians led us beautifully and it felt like we were joining in with them as they brought us into the Presence of God. Then at the end, it did not really finish; we were the ones who left. So it was really special.

You can click on the pictures with the camera and see what went on. We will be returning there again next year, so perhaps you will join us!

Thank you for your continued prayer and thank you to those of you who support us financially. This ministry is entirely by faith and our decisions are made on the basis of God's directing not the visible provision. But we are believing that it is God who has called us and that He will provide for every need. We hold onto His Promises continually remembering this:

'The One who calls you is faithful, and He will do it!' (1Thess.5:24)

God bless you all!
