

The Joshua Project

Winter 2018

Dear Friends

Time is racing ahead and we are nearing the close of 2018. The shops are full of Christmas trees and presents even now. 2018 has been a very busy year and we still have a trip to the USA to 3 mission Conferences and another trip to Romania.

But this newsletter is concentrating mainly on 2019. We are planning our mission trips now. They are not booked yet as we cannot book flights until the funds are in the bank, but we are arranging dates. There are at least 5 Pastor/Leader conferences in other countries and several trips with larger teams. All this needs meticulous planning but we trust that the Lord is in control and He is the best arranger that we know. Thank you for all your support.

God bless you!

Kingsley & Cathy

2018 has been such a busy year in our lives. As well as preaching around the UK and Ireland, we have been in many other nations across the globe.

Several trips to the USA have been terrific. Such good relationships with amazing Christians whom we love so much.

Ethiopia was special as usual in February—15 years with mostly the same people has led to very deep and lasting relationships. India was an eye-opener in March with such fellowship with Pastor Sam and his beautiful family. We got back to Guernsey in the Channel Islands and Toulouse in France; The Ivory Coast with Pastor Solomon. Several IGO Conferences and loads of Pastors' Conferences. Romania is taking off for us and Israel was unreal!

Sometimes we have to stop and ask ourselves if this is really happening. We love what we do and God is continually opening more and more doors so what can we do?

I will keep travelling as that is what God has asked us as a family to release me to do. I have often wanted to stop and go back to pastoring but the Lord will not allow me to discuss that with him so I will keep on. God uses the local church in an amazing way and it is his first choice but He is also using other sector ministries such as ours. Sometimes it is because the local church has forgotten its global mission and so we are flies in the ointment so to speak. I will continue to challenge the local church to get away from the house and into the field. It is in the field that we meet the people God draws us to and it is there that we see the world through God's eyes. Please continue to pray for us as we seek to be obedient to His call. Thank you & God bless you.

Plans for 2019

We are currently planning next year.

We start off the year again in the USA in San Antonio and will attend the Missions Conference in Destiny Church. Cathy & I will also preach in Three Rivers and Quitman.

Then Cathy will fly home and I will go on to Guatemala with Pastor David Hartley. We have 2 large conferences in 2 different areas in Guatemala as well as catching up with our friends there.

Then it gets complicated as I have a very quick turn around throughout Feb/March. I return to Ethiopia for my Leaders Conference and, on return, lead a team again to Jaigaon, India. We will hold several conferences there including a worship conference with the youth.

From there I return home for a few days and head off to Waupaca in Wisconsin for a very special outreach over the St. Patricks Weekend. 'New London' is a city there and the name is changed to 'New Dublin' for the weekend and it is basically a hive of debauchery. The church is setting up right in the middle and I am preaching (as an Irishman) for salvation so I am so excited about that.

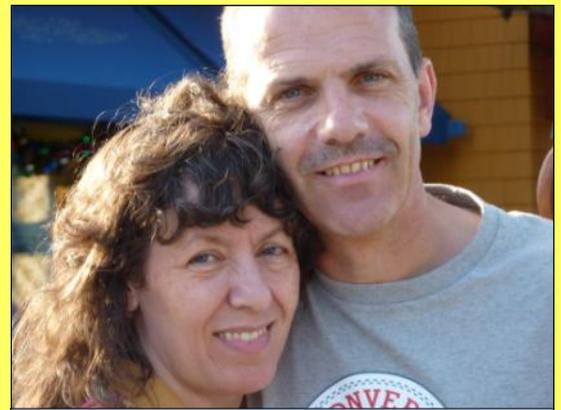

So please pray for us. This will mean only days at home for the first 3 months of 2019 so I will need strength.

It also means that it is all go, go, go, so little preaching in the UK during that time. That is fine but it means that I need to trust on the Lord more and more as my travelling ministry overseas is all give. I sponsor the conferences in many countries and pay for the flights and hotels. So please pray for us the we will see the Lord open up the storehouses of Heaven to supply all of our needs. We are not worried as we believe that the Lord in in all of this—but please pray.

After that, I need to plan return visits to Tanzania, to Pastor Pius and Pakistan, to Pastor Muazzam.

I am looking to return to Romania and Moldova and further afield in Eastern Europe. Also return to Toulouse, not forgetting churches around the UK and Ireland.

Plus 2 trips to Ghana. A very special trip for young people next Summer but more on that in the next Newsletter.

AND an exciting trip Cathy & I are leading to ISRAEL in next July. We are the leaders and hope to have 30 with us. Ask for details if you are interested. What an exciting year is in store!

**'The One who calls you is faithful,
and He will do it!'**

(1Thess.5:24)

This verse has been on all our Newsletters because we believe it. This ministry has been ordained by God and, as such, is maintained by him also.

Thank you to each one of you who has helped in any way; by praying or giving. Please continue to do so and may the Lord richly bless you in all that you do for him.

God bless you all abundantly today!
